## SAFETY DATA SHEET

29/11/11

### PRODUCT IDENTIFICATION

Trade Name: Garden Lime  
Formulation: High purity Derbyshire Limestone  
Use: Garden Fertiliser  
Transport Classification: Not applicable.

### PHYSICAL PROPERTIES

Form: Fine granular product  
Colour: White  
Toxicity: Low toxicity. Not considered hazardous.

### FIRST AID

**Skin Contact:**  
No special precautions are considered necessary in normal situations. Persons with hyper-sensitive skin who handle large quantities are advised to use gloves and a barrier cream.

**Eye Contact:**  
No special precautions are considered necessary in normal situations. Suitable eye protection is advised in enclosed, dusty conditions. In the event of particles entering the eyes, irrigate with copious amounts of cold water. If irrigation persists, seek medical advice.

**Ingestion:**  
No special precautions are considered necessary, but if in doubt seek medical advice.

## STORAGE

Store in a secure and well ventilated cool but frost free dry area.

## FIRE RISK

Not flammable. Non-explosive. Group B dust.

## SPILLAGE

Sweep up gently to avoid raising dust by using equipment such as vacuum cleaner and store in suitable marked closed container for disposal.

## DISPOSAL

Dispose according to local regulations.

## REMARKS

Occupational Exposure Standards have been established for atmospheric dust. This product is not listed in HSE Guide notes EH40 and therefore has an Occupational Exposure Standard of:-

(OES mg m<sup>-3</sup> 8-hour TWA)  
Total Inhalable Dust 10 / Respirable Dust 5

Below these concentrations in air the product can be considered as non-hazardous. We advise the general use of local ventilation exhaust equipment as also appropriate respiratory equipment when relevant.

## USER RESPONSIBILITY

This safety data sheet provides health and safety information. The product is to be in applications consistent with company advice. Individuals handling this product should be informed of the recommended safety precautions and should have access to this information. Please consult company sales office for any further advice. To the best of the company's knowledge the information contained in this data sheet is correct at the time of publication. The user should contact the company for updated advice and in any event must be satisfied that the product is entirely suitable for its intended use. The company accepts no liability for any loss or damage resulting from reliance on this information.
